### **ESSAY ON WHY I SHOULD BE CONSIDERED FOR A SCHOLARSHIP**

The search for knowledge is an important part of the path to pleasing Allah and knowing how to worship Him as He should be worshipped. It is in pursuit of this that I sought to pursue a degree in Arabic Education at Lakeside University College Ghana.

As part of pursuing the program, I am required to pay an amount of money as fees for each academic year. Would obtaining the amount needed to settle the fees be a very easy task for me, considering the circumstances around me, no. It is due to this that I applied for a scholarship at the University to help me be able to pay my fees, and also succeed at my studies.

Family is an important part of my life. And there is a point in the life of a man, when he takes up responsibilities of the family. I have three (3) younger siblings of whom two (2) are in school. I am responsible for handling their educational needs including fees, books, etc. Accommodation and fees for my younger sister equal almost GH¢4,000. Not to mention books, feeding, etc. for her and then same excluding fees for my younger brother along with transportation, etc.

Footing family bills along with the expenses of my siblings and paying fees for the Bachelor of Arts in Arabic Education program will be daunting for me and would put pressure on me to raise the needed fees within the period. Along with fees for the year, I also spend on transportation to Lakeside for classes, data for online classes, books, and pamphlets as part of my study requirements.

A scholarship will be a huge relief, a motivator, and immense assistance to my quest to succeed in my studies and acquire the needed skills and knowledge as part of my program at Lakeside University College Ghana.

I look forward to a favorable response.

Thank you. JazaakumuLlahu khairan
