

MAHEY MAHAD TIMTOONY,
LAKESIDE UNIVERSITY COLLEGE OF GHANA,
ACCRA.

13TH FEBRUARY, 2023

THE SCHOLARSHIP BOARD,
LAKESIDE UNIVERSITY COLLEGE OF GHANA,
P. O. BOX CT 10159,
ACCRA, GHANA.

Dear Sir,

REASONS WHY I SHOULD BE GIVEN SCHOLARSHIP

My name is Mahey Mahad Timtoony. My educational aspirations consist of acquiring a degree in Engineering in the university that would help assist me in pursuing a career in Civil engineering. On the other hand, my career vision is to one day be able to help my region in terms of development, however I am certain that if I do not complete my university degree, I can never have the opportunity to achieve my career goals. I decided that I will attain a career as an engineer since my passion has always been in developing my region when it comes to roads and other in northern region and Dagbon at large.

I think I should be given opportunity to this scholarship because I am a very hard-working student and will seek various ways and carry out learning duties by myself to make my dreams come true and also because I have the required qualification.

I again think I should be give this wonderful opportunity because my family has been through struggles and difficulties in the past 10 months, it has not been easy as my father has been battling with stroke and high blood pressure and had not been able to work for almost a year now and still has to cater for me and me six other siblings, my mother who could have helped in one way or the other is late. This scholarship opportunity will definitely lift a very heavy load off my father's shoulders and we will be forever grateful.

I strongly believe this scholarship opportunity would go a long way to help make my dreams come true, hopefully in four years' time I will also help in the development of Dagbon and northern region at large.

Hoping to hear the great and life changing news from you. Thank you.

Yours Faithfully,

(0592906785)
