Dear scholarship Committee,

THE REASON WHY I SHOULD BE CONSIDERED FOR THE SCHOLARSHIP

My name is Aboagye Florence. I am writing to express my interest in a scholarship from your institution. I am seeking an opportunity to further develop my skills and competence as an undergraduate student in your highly competitive institution. The reason why I should be considered for the scholarship is as follows;

In the first place, receiving a scholarship will help me and my family ease the burden of tuition fees since I am raised by a single parent. The scholarship will relieve me from high tuition fees, high cost of university supplies, food costs and transportation cost. As an undergraduate student, I will be spending thousands of cedis in my four years of study and a scholarship will greatly reduce my tuition burden.

In the second place, scholarship will enable me enter into your prestigious university. Scholarship will open up new opportunities to attend and complete my programme of study.

Also, a scholarship will enable me focus on my learning. As scholarship eases the burden of high university fees, looking for part-time jobs or even full-time jobs to cover university costs. Thus, a scholarship will enable me concentrate and focus more on my academic work so that I can maintain the scholarship.

Lastly, scholarship will enable me strengthen my curriculum vitae (CV). Getting scholarship shows one is hardworking, ambitious and high achiever. This will enable me improve the quality of my CV for future prospects.

Thank you very much for your attention all those who matters and for your consideration of my application. I look forward to hearing from you. Upon completion, I may like to impact such knowledge to the community and may end to be a president one day.

Yours faithfully,

.....
Aboagye Florence.
